Schedules will be available in Feb, practices will be between 4:30 - 6:30pm weekdays, or 9am - 12pm Saturday mornings .
Skaters must be present at all practices. More than one absence will result in removal from that group number.
No exceptions! You must get approval from the Ice Show Director if you need your one excused absence.
If you know you have a spring break trip scheduled during rehearsals or other after-school activities, please note that on the form.
Coaches must receive full cooperation; disruptive or discourteous behavior may result in dismissal from the show. Skaters are required to skate all 5 shows, including the Kiwanis benefit show, which is our official dress rehearsal.

VOLUNTEERS
The show is run by volunteers; therefore, a family member is required to work at 2 shows.
A SignUpGenius invitation will be sent out for you to choose which shows you can work. We will assign volunteer positions.
Parents with a skater 10 and under must be SafeSport certified and must sign up for one or more locker room shifts.
Please go to www.safesport.org/training to complete the training. Volunteers agree to arrive on time for their shift, stay for their entire shift, and perform the duties required of that job. Please do not bring others with you to your shift, including young children.

PARENT MEETING
We will have a mandatory parent meeting in March to hand out costumes and answer all questions regarding being in the show.
Please join our Remind app for up-to-date info and weekly reminders of forms due and rehearsal schedules, etc.

PLEASE REVIEW
This is your copy of the Reflections on Ice 2027 guidelines. Please realize your commitment to the upcoming Ice Show.
You are financially accountable for all costumes ordered for you, whether or not you are able to complete the commitment to the show.
Reflections on Ice is a volunteer-based show, and you must volunteer if you want your child to be in the production. Each skater receives one thumb drive/DVD of the show. Additional thumb drives can be purchased for $30. Show costumes can be very short, could consist of only a leotard / bathing suit bottom or a bare mid-section. Altering costumes is NOT allowed, and doing so will result in the skater being pulled from their group. Please make the show director aware now, before placing your child in a group where a costume like this would be unacceptable to you. We will try our hardest to work with you and find a costume/group number that is acceptable.
Skaters are required to behave in a courteous and cooperative manner at all times during ice show rehearsals and shows while on the ice, in locker rooms, and on the rink premises. Failure to do so may result in removal from the show, monetary responsibility for anything that has been damaged or broken, and, in the most egregious situations, dismissal from the club.

Are there any additional requests the show director needs to be made aware of?

For example….. Can't practice on a certain day due to catechism? Known vacation dates during rehearsals, known competitions? Mandatory school functions? Etc…… **(Obviously we can't promise but we will try our best to meet all requests)**
