Name: \_\_\_\_\_ Level: \_\_\_\_\_

**Rules:**

Skaters may start collecting pledges as soon as they receive the pledge sheets. Skaters participating are asked to register with Lindsay O'Donoghue. Reminder: Pledge sheets need to be turned in on skate-a-thon day, Friday, May 27<sup>th</sup>, 2016

1. Pledges may be made by anyone. However, participants may not ask for pledges from any of the staff members of SCSFSC.
2. Each sponsor making a pledge should write their own name, and pledge per lap/element. Skaters may collect the pledge in advance but must keep pledges until all are collected.
3. Skaters will do laps for 30 minutes. Volunteers will be assigned to each skater to count laps, keeping track of the number of laps completed.
4. Upon completion of the skate-a-thon, the volunteer will record each skater's lap total on their pledge sheet and return it. Skaters may then collect outstanding pledges. **Please return pledge sheets with the money to SCSFSC by Tuesday, June 7<sup>th</sup>, 2016.**
5. 50% of pledge money earned will go towards the SCSFSC programs and the other 50% will go towards your skater's ice bill.

We look forward to all our participants having a great time! For questions or concerns, or to volunteer, email Lindsay O'Donoghue at [odonoghuelindsay@gmail.com](mailto:odonoghuelindsay@gmail.com).

I plan to perform as many laps as I can in 30 minutes for The St. Clair Shores Figure Skating Club.

Dear Potential Sponsor,

I am participating in the St. Clair Shores Figure Skating Club Skate-A-Thon. Half of the proceeds will go toward my ice time bill and the other half will go towards the many events which the club puts on every year including the annual ice show in March, the Shores Autumn Classic competition, test sessions, and keep ice costs down for my club. You can sponsor me for an amount per lap that you are willing to contribute or a flat rate. After the skate-a-thon, I will return to tell you how many I completed and collect your contribution. Make checks to SCSFSC. All contributions are tax-deductible.

I successfully completed \_\_\_\_\_ laps! Director Signature \_\_\_\_\_

This skate-a-thon is a fun and fit activity for all of our club members and basic skills skaters. Skaters set realistic lap/ element goals based on skill level. We hope that each family will participate in the skate-a-thon to the best of its ability. We're hoping to make this skate-a-thon a great success. Thank you very much for your participation!
