Skaters must be present at all practices. More than one absence will result in removal from that group number.

No exceptions this year! You must get approval from the Ice Show Director if you need the 1 excused absence.

Coaches must get full cooperation; disruptive or discourteous behavior may result in dismissal from the show.

## SKATERS

Skaters must be enrolled in a Learn to skate program at the time of registration and continue taking lessons up until May. Group placement will be determined by your age and group level.

Skaters are required to skate all 5 shows including the Kiwanis benefit show, which is our official dress rehearsal.

Music, costumes and group placement will be at the discretion of the Show Director.

### ***Please review...***

This is your copy of the Reflections on Ice 2024 guidelines. Please realize your commitment to the upcoming Ice Show. \*You are financially accountable for all costumes ordered for you whether or not you are able to complete the commitment to the show.

\*Reflections on Ice is a volunteer-based show and you must volunteer if you want your child to be in the production.

\*Each family receives one free DVD/Blu-Ray of the show. Additional DVD/Blu-Ray can be purchased for \$30. Siblings will receive a 10% discount.

\*Show costumes can be very short, could consist of only a leotard / bathing suit bottom or a bare mid-section. Altering costumes is NOT allowed and in doing so will result in the skater being pulled from their group.

Please, let us know now of any religious or family beliefs that the show director should be made aware of before placing your child in a group where a costume like this would be unacceptable to you. We will try our hardest to work with you and find a costume / group number that is acceptable.

I have read and received the top copy of the Reflections on Ice 2024 guidelines and realize our commitment to the upcoming Ice Show. I know that I am financially accountable for all costumes ordered for me whether or not I am able to complete my commitment to the show. The costume remains property of the club until contract balance is paid in full. I understand that Reflections on Ice is a volunteer-based show and I must volunteer if I want my child to be in the production. I understand that each family only receives one free DVD/Blu-ray of the show.

I understand that show costumes can be very short, could consist of only a leotard / bathing suit bottom or a bare mid-section and I fully understand that altering costumes is NOT allowed and in doing so will result in my child being pulled from the show. Please, let us know now of any religious or family beliefs that the show directors should be made aware of before placing your child in a group where a costume like this would be unacceptable to you. We will try our hardest to work with you and find a costume / group number that is acceptable.

Are there any additional requests the show director needs to be made aware of?  
 For example.....you need to have ice show practice with a certain friend that you car pool with. Can't practice on a certain day due to catechism? Known vacation dates during rehearsals, known competitions? Mandatory school functions? Etc.....  
**(Obviously we can't promise but we will try our hardest to meet all requests)**
