PLEASE REVIEW

This is your copy of the Reflections on Ice 2025 guidelines. Please realize your commitment to the upcoming Ice Show.

*You are financially accountable for all costumes ordered for you whether or not you are able to complete the commitment to the show.

*Reflections on Ice is a volunteer-based show and you must volunteer if you want your child to be in the production. *Each family receives one thumb drive of the show. Additional thumb drives can be purchased for \$30. *Siblings will receive a 10% discount. *Show costumes can be very short, could consist of only a leotard / bathing suit bottom or a bare mid-section.

Altering costumes is NOT allowed and in doing so will result in the skater being pulled from their group.

*Please, make the show directors aware now, before placing your child in a group where a costume like this would be unacceptable to you.

We will try our hardest to work with you and find a costume / group number that is acceptable.

I have read and received the top copy of the Reflections on Ice 2025 guidelines and realize our commitment to the upcoming Ice Show. I know that I am financially accountable for all costumes ordered for me whether or not I am able to complete my commitment to the show. I understand that Reflections on Ice is a volunteer-based show and I must volunteer if I want my child to be in the production.

I understand that each family only receives one free thumb drive of the show.

I understand that show costumes can be very short, could consist of only a leotard / bathing suit bottom or a bare mid-section and I fully understand that altering costumes is NOT allowed and in doing so will result in my child being pulled from the show.

Are there any additional requests the show director needs to be made aware of?

For example..... Can't practice on a certain day due to catechism?

Known vacation dates during rehearsals, known competitions? Mandatory school functions? Etc.....

(Obviously we can't promise but we will try our best to meet all requests)
