

## 2025 Reflections on Ice Ticket Sales

### New in 2025 – Electronic Ticketing System called LUDUS

A QR code is provided below to order your tickets on-line! You may share the link below with family members and friends for them to purchase tickets. Tickets may be purchased through LUDUS up to one hour before each show, then we will have ticket sales at the door – CASH ONLY.

Flyers with the QR code will also be placed at the rink so you may purchase your tickets anytime you are at the rink.

**As always, if you are not a volunteer working at a show, you must have a ticket to enter the arena.**
